

## Parent/Fan Conduct Form

We are asking that parents and fans cheering from our school, do so in a manner that will represent Christ and MGAES well. This will involve the following actions to be taken at each game, home or away.

- When a ref makes a bad call (which some will, some more than others) say nothing.
- When a parent from the other team says something inappropriate, say nothing to that parent, but if you need to, let the Athletic Director in charge know, or Mr. Mac.
- When a coach from the other team, or ours, says something you feel is inappropriate, say nothing to that coach, but let the Athletic Director in charge know, or Mr. Mac.
- While cheering for our team, please cheer positive comments.
- While cheering for our team, please cheer, **DO NOT COACH!!!**
- If you feel your child is not getting enough playing time, let Mr. Mac know, not the coaches.
- If you feel the coach is not using the correct strategy in the game, let Mr. Mac know, not the coaches, another parent, or your child.

I have read the following Parent/Fan Conduct form and understand all that is required of me as a parent.
